

## What is gamealike.net?

Have you ever been in a situation, where you have finished an amazing game, and now your only option is to play it one more time, or go back to playing league of legends like you usually do? You probably went online to find similar games, but they didn't share the same vibe, or were similar only in aspects like gameplay, but not music?

Then this site is for you, i have arranged tons of different games depending on different aspects like soundtrack, gameplay, mood, story and more to help you find your game alike the previous one!
